

Guide to registering a player or manager.

Before registering as a player or manager you must read the Rules & Regulations (Constitution) for 2021. You will have to tick the box in the system to say that you agree.

You will now need to register as a player through our new automated system.

Please click on the Register Button on this page.

You will be taken to the first page.

1. Choose the age group that you are going into September 2021.
2. This will take you to the details page. There are several mandatory boxes to fill in so that we have all the information we need. Please make sure you choose the correct team in this section i.e. United or Youth team. If you are unsure, please contact your manager.
3. Once you have completed the form please press **submit**.
4. You will then be taken to the same page to double check what you have inputted. If you are happy then please submit again.

Once you have registered you will be sent an email giving you log in details for the system that can be accessed via a web browser or the mobile APP that is available through IOS or Android.

Your registration will then be reviewed by the Club Admins.

You will be emailed regarding payment soon afterwards.

If you have any questions, please ask your manager who can email the administrators.
